SUMMER PROGRAMS AT JOHNS HOPKINS offers two pre-college programs that give you the opportunity to get a head start and a taste of college life.

NEW SUMMER UNIVERSITY MINI-TERMS
Can’t commit to 5 weeks this summer? Now introducing Summer University Mini-Terms. Mini-Terms offer the benefits of the Summer University program, but condensed into 2 intensive weeks. Residential students must enroll in two courses during each Mini-Term and can earn a total of two university credits.

DISCOVER HOPKINS PROGRAMS

Short in length but not in content! Exclusively for pre-college students, Discover Hopkins Programs are intensive programs designed to expose you to topics from different perspectives. For instance, observe top researchers and listen to experts at Johns Hopkins Medical Institutions, as you survey the latest news in public health.

ADMISSIONS
Admission is highly selective and early application is recommended, as courses fill quickly. Applications are reviewed on a rolling, space-available basis when all materials are received.

WHAT IF
I AM AN INTERNATIONAL STUDENT
Each summer Hopkins welcomes visiting students who represent over 30 different countries around the world. International students must enroll in a full-time course of study and enter the U.S. on an F-1 student visa. For more information on how to apply as an international student, please visit summer.jhu.edu/international.

LIVING IN BALTIMORE, MARYLAND

CHARM CITY
Nicknamed “Charm City,” Baltimore is one hour north of Washington, D.C. and about three hours south of New York. Baltimore City has more than 225 neighborhoods, each with its own style that combines art, history, culture and charm. With more than 16 colleges in the area, over 100,000 college students take advantage of the city’s art, music, food, theatre, and world-class sports teams. Baltimore is the college city to be in!

TRANSPORTATION & GETTING AROUND
Hopkins is convenient to major airports (14 miles to BWI; 70 miles to IAD), and Penn Station is just a taxi ride away. Students can easily walk or bike to campus and take advantage of Hopkins’ own shuttle service or the Charm City Circulator, which both run throughout the city, free of charge.

GET A TASTE OF STUDENT LIFE
Whether you live on campus or commute, you’ll find plenty of excitement with organized activities on campus—concerts, dances, outdoor film festivals, talent contests, and barbecues or ice cream socials. Take advantage of our outstanding facilities such as our Digital Media Center, music rooms in the Mattin Center, climbing wall at the Recreation Center, and much more. Off-campus excursions include trips to the beach, Baltimore’s Inner Harbor, Washington D.C., Hershey Amusement Park, and Baltimore museums and other local historic sites.

GET AHEAD THIS SUMMER WITH WORKSHOPS AND SEMINARS
Throughout the summer, students will participate in workshops led by Johns Hopkins University’s admissions staff, undergraduate academic advisors and career center professionals. Admissions staff will guide students through the college application process, which includes information on applying to Johns Hopkins’ undergraduate program and the Hopkins Medical School.

LIVE IN COLLEGE DORMS
Students who are selected to join Summer Programs at Johns Hopkins are invited and encouraged to live on campus in dormitories. Students experience the independence and responsibility of living on their own and they get the full university experience, while in a supervised and guided environment led by qualified and thoroughly trained Resident Advisors.

EXPERIENCE LIFE AS A HOPKINS STUDENT

HOME SWEET HOMEWOOD
Residential programs take place on the Homewood campus, located in the north Baltimore neighborhood of Charles Village and home to 5,000 full-time undergraduates. The Homewood campus is a peaceful area of green grass, brick residence halls and classroom buildings, and interconnecting walkways that create a comfortable park-like setting in the heart of a major U.S. city.
